## **TERRA ANDINA Varietal Carmenère 2007**

Valle Central  
Winemaker: Stefano Gandolini

Dark and deep red with violet hues.  
Tasty blend of black currant, blackberry,  
grilled red pepper and black pepper,  
those flavors carry over to the palate.  
With a very varietal character, this wine  
shows balance with volume and soft but  
present tannins and a pleasant  
aftertaste.

Valle del Maipo

Intense ruby red color. Shows ripe red fruit mingled with a fine core of blackcurrant and blackberry, graphite, hint of eucalyptus, dry plums and black pepper. Great balance in the palate with good structure and firm fine-grained tannins. Solid with a good depth on the finish.
